

PRIVATE LESSON POLICY PARENT COPY

Private lessons are a wonderful way for your child to work on specific skills that are needed for advancement. Students enjoy focusing on the challenge of perfecting existing skills and learning new skills. If you are interested in private lessons, please follow this procedure.

1. **SETTING UP THE LESSON** – The parent is responsible for contacting the coach of their choice, or a request can be made on our [website](#). It is the coach's responsibility to arrange a lesson time with the parent. Our staff would be pleased to recommend coaches for your specific needs if you do not already have a coach in mind.

2. **LESSON TIME** – The lesson can be scheduled any time that is agreeable to both the coach and parent, provided that the private lesson will not interfere with any regularly scheduled classes or other scheduled activity and appropriate supervision is in place.

3. **LESSON PARTICIPANTS** – Up to two students may participate in a private lesson and share the cost if they are not enrolled in Ken's Gym classes. Up to 3 students may participate and share the cost if they are all enrolled in Ken's Gym classes. Lesson participants are required to check in and pay at the front desk prior to the lesson. They must also have a current, online, completed waiver (all policies accepted).

4. **CANCELLATIONS OR CHANGES OF LESSONS** – It is the parent's responsibility to notify the coach to change or cancel a private lesson. When possible, please reach out a few days in advance so the coach is notified in time to adjust their schedule. The coach is responsible for contacting the parent if they need to make changes.

5. **PAYMENT PROCEDURE** – Private lessons are to be paid for at the time of the lesson. Payment should be made at the front desk. Payment by cash, check, or credit/debit card is welcome.

PRIVATE LESSON RATES – Effective September, 2025:

30-minute lessons are \$40

60-minute lessons are \$70

Note: Some of our senior staff may charge more than our standard rate. In such a case, that price can be negotiated with the specific coach. The above rates must be paid at the front desk, and any amount above these rates can be paid directly to the coach as a "tip."
